Production Proposal

Please submit this form to any member of the Cape Breton Stage Company Co-operative's Board of Directors or to the above address. Proposals will be reviewed by the Board of Directors. If the proposal is deemed suitable for a Cape Breton Stage Company production, a meeting between the applicant and the Board of Directors will be arranged in order to finalize approval.

Once a proposal is approved, the Cape Breton Stage Company will facilitate the production of the piece. This assistance can include: booking a venue; providing promotions, cast, and/or crew; and/or any other responsibilities agreed upon by the applicant and the Board of Directors.

The Cape Breton Stage Company's objectives are to produce quality original theatre in the CBRM, to educate others in the dramatic arts and stage production, and to contribute to the cultural enhancement of industrial Cape Breton. Thank you for your contribution!

Please feel free to contact us with any questions or concerns.
